P.S. You've done a super job in A.S.B. this year! ☺

P.S. See you at the Valley!

Margaret, my friend
I regret you're moving so far away. Despite our differences, I think you're a fine person. I'll remember you as a picture perfect, talented person. I could remember a lot of fun times we had together. I look forward to seeing you again. I'll remember you as an excellent speaker and a certain miss. Best of luck in your activities. I'll remember you as a very active person. Your activities were quite impressive. Keep up the good work. Handicapped Commissioner and Co-Chairman of Things in Oregon.

Donald J. Chase

Margaret,
I have gotten to know you a little better this year and I think you are a very neat person. Why? Because you are! Personalities differ into personalities. Because you are! I wish you the best of luck in the world, but you don't need it at all! You have a great Summer!

Love,
Kathy

SUCCESS IS A JOURNEY, NOT A DESTINATION

Margaret,

To such a special person. I hope we keep in touch over the years. I hope you succeed in your personal endeavors. I know your grades are high. And I hope you reach them all. Don't change yourself on anybodies account. I love you always and may the memories of each other keep us close together no matter how far apart we are.

Good Luck.

Addendum: Have a good summer and call me before you leave for college.

Love You Always-

Yoshie Shinoha

FRESHMEN

They may be the underdogs of our high school, but they do deserve credit. To be here they volunteered. By doing this they missed their ninth grade graduation and some ninth grade privileges in their junior high schools. So next time you want to put them down, just remember the Freshmen are fabulous, too!

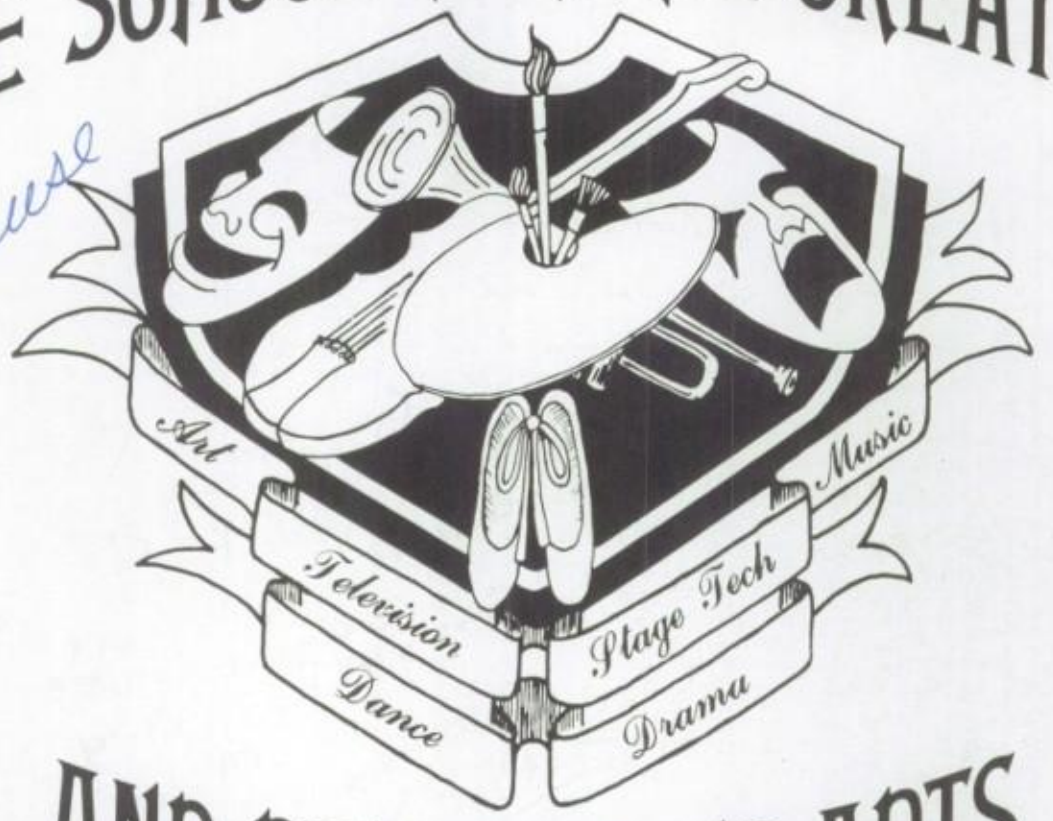
THE SCHOOL FOR THE CREATIVE AND PERFORMING ARTS



This program at the School for the Creative and Performing Arts offers an unequaled opportunity, usually available only at private high-tuition institutions. All types of fine art education are offered to students: stage technology, dance, drama, instrumental music, video production, musical theatre, visual arts, vocal music, and more.

The School for the Creative and Performing arts is a multifaceted magnet school program for young men and women, grades 7 through who possess a special interest or talen in the arts. For too long these students were forced to put aside their real interests and conform to the requirements of a regular junior and senior high school curriulum. This provides these students professional, in-depth training and experience in all areas of the arts, while at the same time ensuring a strong academic education that culminates in a high school diploma.

Even though the Spartan Gridmen did not win many games this season, they earned the respect of their opponents.
The 1980 Spartans were a spirited group of athletes. Every team knew they had been in a game when they played the ninteen eighty edition of the Spartans.
Eight juniors started on offense this year and all will be back next year. This was a learning year for many of the young athletes.
This year Spartans were led by Captains Benny Perez and John Lucas, (better known as "Lucan") These two senior linebackers were also selected as "Best Defensive player" and "Best Attitude".
Other awards were given to Ralph Bruck - Most Improved, Doug Rickard and Mike Whitby - Best Offensive lineman.
This year's team may have been over matched as far as size goes, but they were never outclassed as far as desire and attitude. They always gave one hundred percent. What more can a school ask for out of their football team?
We would like to give special thanks to Mr. Larry Arthur for his wonderful pictures he contributed to the staff.

SPARTAN BASKETEERS HAVE SUCCESSFUL YEAR

The 1980-'81 basketball team won the Hilltop-JC Tournament by beating arch rival Hilltop 58-52. They finished second in the Kiwanis Tournament to an outstanding La Jolla High team that was led by 6foot 8 inch All-American Ken Johnson.

Thw loss of senior Richard Andujo to injury hurt the Spartans during the second round of the League. The team was still able to finish with a very successful 18 win, 7 loss season record and a 12 win, 6 loss League record to finish third in the Metro League.

Individually, the Spartans were led by the senior trio of Gonzales (Mr. Inside), Almaraz, and Romero (outside shooters). All three were chosen all-Metro League by the Star News sports writers. Louie Gonzales was named to the first team and was further honored by being named the Star News co-player of the year. Alex Almaraz and Louie Romero were selected on the second team. In the coaches' poll Gonzales was voted first team all-Metro, while team mate Almaraz was accorded second team honors.

The Spartans were led by Louie Gonzales(the team's MVP) with 17.8 points, 10.3 rebounds and 5.2 assists per game average. Alex Almaraz scored 15.1 points per game, while little Louie Romero hit for 14.4 points per game to lead the high powered Spartan offense. Albert Lewis and Ron Hubbard made outstanding game contributions as they concluded their senior year at Chula Vista High.

This season marked the conclusion of Coach Collins' ninth year as head basketball coach at Chula Vista High.

Margaret,

I'm very sorry we didn't become friends this time in our Sophomore year. I feel a true understanding has developed between us, and an honest friendship. May God bless your every endeavor and you most of all. You deserve the very best, because you are the best. Think about this - You didn't get the high school success, you've got to look forward for Life's success! You Can Do It and You Will. I'm not going to wish you good luck, but Congratulations! I Love Ya. Class

Dear Margaret,

Well, I got most of the pages! Well, this year is almost over (high school). I hope that it is not over for our friendship.

I still remember helping with the Prom and all. It was a great success as well as fun working with you.

You have been a great S.B.B (Secret Bosum Bucko) Yes, I know ~~the~~ its you. You've been really sweet and nice. People this year have been mean an cruel to you. But not me. I admire you a great deal. You are a great and smart young lady as well as friend.

When we graduate and you go to Oregon to College, please keep in touch.

I wish you the Best of Luck, happiness, and health in all the years to come. Last of all, thank you Miss Margaret Duncan for being a friend that you are.

God Bless you and friends always,

Ron Vega

Margaret -

It is a pity that we did not get to know each other better. We share many common beliefs, and you are one of the very few people in this school who is not wrapped up in hypocrisy.

You have given much to our school, and I would like to thank you on its behalf.

Your success is already assured, and you are already a beautiful person. Thank you for gracing my life with a little bit of sunshine.

I'm really glad we were in A.S.B. together cuz if it weren't for A.S.B. I don't think we would have become good friends again. Remember camp and the water balloons? You were such a little brat! I can't believe we're already graduating and then you'll be leaving- you had better keep in touch! Thanks for all your help + especially with David (Thanks for being patience and putting up with him- Just kidding- I mean- putting up with me.) You've really been a great friend and you're such a good listner. I wish we could have stayed good friends all through high school- Sorry for the way I acted in 10th grade. Let's get together over the summer- O.K.? → Good luck with Gregg- I hope you guys get to see a lot of each other and that things work out. You deserve the best. Good luck up in Oregon- I hope you like it up there. I know you'll go far in life- you've got the determination + dedication. I hope we'll stay friends forever. Good luck with everything life has to offer.

Love Always,

"SL" Gina "SL"

"Gine."

Margaret,
its been really nice knowing you
for all these years. You're a really
super person and I hope you will
get all the recognition that you
deserve in college, I know you
will. I wish you the best
of luck in all the years to come.
and you had better keep in
touch!

your friend
always,
Tracy Higuchi

Margaret,
It's a shame, that
I didn't know you longer,
you're a really nice person
and a dedicated human
being. I thank you for helping
our school the way you did, not
many people would do that.
I only wish this year wouldn't
have to end so soon. I
wish you luck and great
success in your years to
come. I hope you have a
joyous graduation.

your friend
Ralph Buck.

P.S. If you ever wake me up
like that again I'll hang
you from the ceiling by
your toes.
